I. 10TH MALAYSIA PLAN 69

- 10th Malaysia Plan (2011 - 2015) : Sarawak Perspective 71

The background is a vibrant collage of colorful, low-poly geometric shapes in shades of red, orange, yellow, green, and blue. Overlaid on this is a large circular graphic consisting of three concentric rings. The outermost ring is red, the middle ring is yellow, and the innermost ring is black. These rings are not solid but are composed of several curved segments, creating a sense of motion or a loading process. A thin white line with small grey dots at intervals encircles the entire graphic. In the center of the graphic, the words "BACKGROUND" and "INFORMATION" are stacked vertically in a bold, blue, sans-serif font with a white outline.

Bintulu Port LNG Terminal

The graphic features a central circular design with three concentric rings. The outermost ring is red, the middle ring is yellow, and the innermost ring is black. These rings are composed of several segments, with some gaps between them, creating a sense of motion or a circular path. The text "SARAWAK ECONOMY" is centered within the white space of the innermost ring. The background is a vibrant, abstract composition of overlapping geometric shapes, primarily triangles and polygons, in a variety of colors including red, orange, yellow, green, blue, and purple. The overall effect is dynamic and modern.
